

CATALINA ISLAND CONSERVANCY

A responsible steward of its lands through a balance of conservation, education and recreation

February 22, 2012

Endow-Bio, Inc.
P.O. Box 595
Ames, IA 50010

Dear Mr. Williams:

Thank you for your contribution of \$439.94 to the Catalina Island Conservancy. It is support like yours that enables the Conservancy to continue its important conservation, education and recreation efforts on the Island we all love.

In recent years, the Conservancy has worked to meet its mission in many innovative ways. Whether it is employing state of the art contraceptive methods to manage a healthy bison herd, to engaging youth at the Island's camps in a hands-on conservation education program to control invasive plants called Stop the Spread, the Conservancy strives to bring people and nature closer together. We hope you feel a part of these programs and will want to continue to help us protect and restore this unique Island for years to come. We look forward to sharing updates and more success stories in Conservancy Times and our monthly UPDATE Online E-newsletter.

In appreciation of your generosity – **100% of your gift goes directly towards our conservation, education and recreation programs** – we are pleased to recognize annual gifts of \$250+ on our online Honor Roll and monthly e-newsletter; \$500+ in our Annual Report; and, \$1,000+ on engraved panels on our Donor Window at the Nature Center in Avalon Canyon. Each and every gift to the Conservancy, regardless of size, is truly valued and makes a difference towards our shared goal of keeping Catalina wild, beautiful and accessible.

Thank you for playing such an important role in our continued success!

Sincerely,

Ann M. Muscat, Ph.D.
President and CEO

P.S. Double or perhaps even triple your donation with a matching gift from your employer! You can do a search for your employer's matching gift program on our website: www.catalinaconservancy.org.

Also, stay up to date on the latest news affecting our environment by listening to *Isla Earth*, the Conservancy's 90-second daily radio program, by logging onto www.islaearth.org to catch streaming episodes or find a station near you.

PLEASE RETAIN THIS RECEIPT FOR YOUR TAX PURPOSES

For your records, this contribution is deductible to the fullest extent of the law, and this will confirm that you have received no goods or direct benefit from your contribution. The Catalina Island Conservancy's tax ID number is 23-7228407.
